

11TH WORLD BODYBUILDING AND PHYSIQUE SPORTS CHAMPIONSHIPS AND MEETINGS AND CONGRESS HELD IN JEJU, SOUTH KOREA

Three cheers and bouquet of flowers for Chris Yun (President) and Mr Eom Tae Joon (Secretary General) of WBPF KOREA and the Organizing Chairman Ms Park Jung-Won for hosting one of the extravagant and successful WBPF World Bodybuilding and Physique Sports Championships & Congress in the beautiful island of Jeju, South Korea. This will be remembered for a life time for those who participated in this world event.

38 countries were represented with over 300 athletes and 150 delegates .It is indeed an historical championships in the history of bodybuilding with the attendance of 22 dignitaries of different Embassies mainly consisting of Ambassadors, High Commissioners and attaches from several countries.

Their presence strengthened WBPFs image in the world of bodybuilding. Never ever have we witnessed a great number of dignitaries in a bodybuilding contest in our life time.

The winner from India, Chitresh Natesan in the 90 kg gold medalist went on to win the overall title of MR UNIVERSE 2019. He also won the 2019 MR ASIA title in September at Batam, Indonesia. Chitresh is the first Indian bodybuilder who won the MR UNIVERSE title from India.

The judges should be commended for selecting Chitresh as Mr Universe for his perfect physique with beautiful symmetry and good proportions and for displaying an artistic posing routine to the audience. WBPF has rewritten the standard in picking a physique with beauty and grace.

Here are are the photos of the meetings and complete results of all the winners in their respective disciplines..
