HOST CITY

Mumbai (also known as Bombay) is the capital city of the Indian state of Maharashtra. It is the most populous city in India, second most populous metropolitan area in India, and the fifth most populous city in the world, with an estimated city population of 18.4 million and metropolitan area population of 20.7 million. It is one of the most populous urban regions in the world. Mumbai lies on the west coast of India and has a deep natural harbour. It is also the wealthiest city in India, being the economic capital of India and has the highest GDP of any city in South, West or Central Asia.

The seven islands that came to constitute Mumbai were home to communities of fishing colonies. For centuries, the islands were under the control of successive indigenous empires before being ceded to the Portuguese and subsequently to the British East India Company.

The Gateway of India is a monument built during the British Raj in Mumbai (formerly Bombay), India. It is located on the waterfront in the Apollo Bunder area in South Mumbai and overlooks the Arabian Sea. The structure is a basalt arch, 26 metres (85 feet) high. It lies at the end of Chhatrapati Shivaji Marg at the water's edge in Mumbai Harbour. It was a crude jetty used by the fishing community which was later renovated and used as a landing place for British governors and other prominent people. In earlier times, it would have been the first structure that visitors arriving by boat in Mumbai would have seen. The Gateway has also been referred to as the Taj Mahal of Mumbai, and is the city's top tourist attraction.

The Elephanta Caves (Marathi: Gharapurichya Lenee) are a network of sculpted caves located on Elephanta Island, or Gharapuri (literally "the city of caves") in Mumbai Harbour, 10 km (6.2 mi) to the east of the city of Mumbai in the Indian state of Maharashtra. The island, located on an arm of the Arabian Sea, consists of two groups of caves the first is a large group of five Hindu caves, the second, a smaller group of two Buddhist caves. The Hindu caves contain rock cut stone sculptures, representing the Shaiva Hindu sect, dedicated to the god Shiva.

The rock cut architecture of the caves has been dated to between the 5th and 8th centuries, although the identity of the original builders is still a subject of debate.

Hutatma Chowk ("Martyrs' Square") is the official name of a square in South Mumbai, Maharashtra, India. The square hosts Flora Fountain and was known by that name until 1960. It was officially renamed in 1960 in memory of the members of Samyukta Maharashtra Samiti, who lost their lives when police fired upon their peaceful demonstration. A statue of a "Martyr with a Flame" stands next to Flora Fountain.

Hutatma Chowk is located in the busy financial district of South Mumbai. It derives its present name from an incident in 1960 when a peaceful demonstration by the Samyukta Maharashtra Samiti (United Maharashtra Committee) was fired upon by the police resulting in 105 deaths. The incident was part of ongoing struggles of the Samyukta Maharashtra

Samiti, amongst others, for the creation of the State of Maharashtra. The shooting proved to be a major impetus for the creation of Maharashtra on May 1, 1960.

Chhatrapati Shivaji Maharaj

Chhatrapati Shivaji Raje Bhosale was born in the hill-fort of Shivneri, near the city of Junnar in Pune district in the year 1630. He was an Indian warrior king and a member of the Bhonsle Maratha clan. Shivaji, in 1674, carved out an enclave from the declining Adilshahi sultanate of Bijapur that formed the genesis of an independent Maratha kingdom with Raigad as its capital. Shivaji established a competent and progressive civil rule with the help of a disciplined military and well-structured administrative organization. He innovated military tactics, pioneering the guerilla warfare methods (Shiva sutra or ganimi Kava), which leveraged strategic factors like geography, speed, and surprise and focused pinpoint attacks to defeat his larger and more powerful enemies. From a small contingent of 2,000 soldiers inherited from his father, Shivaji created a force of 100,000 soldiers; he built and restored strategically located forts both inland and coastal to safeguard his territory. He revived ancient Hindu political traditions and court conventions and promoted the usage of Marathi and Sanskrit, rather than Persian, in court and administration.

Shivaji's legacy was to vary by observer and time but began to take on increased importance with the emergence of the Indian independence movement, as many elevated him as a proto-nationalist and hero of the Hindus.

Hinduhrudaysamrat Shri Balasaheb Thackeray

Shri Bal Keshav Thackeray (23 January 1926 – 17 November 2012) was an Indian politician who founded the Shiv Sena, a right-wing Marathi ethnocentric party active mainly in the Western Indian state of Maharashtra. His followers called him the Hindu Hriday Samraat ("Emperor of Hindu Hearts").

Shri Thackeray began his professional career as a cartoonist with the English language daily The Free Press Journal in Mumbai, but left it in 1960 to form his own political weekly Marmik. His political philosophy was largely shaped by his father Keshav Sitaram Thackeray, a leading figure in the Samyukta Maharashtra movement (United Maharashtra movement), which advocated the creation of a separate linguistic state of

Maharashtra. Through Marmik, he campaigned against the growing influence of non-Marathis in Mumbai. In 1966, Shri Thackeray formed the Shiv Sena party to advocate the place of Maharashtrians in Mumbai's political and professional landscape. In the late 1960s and early 1970s, Shri Thackeray built the party by forming temporary alliances with nearly all of Maharashtra's political parties. Shri Thackeray was also the founder of the Marathi-language newspaper "Saamana" and the Hindi-language newspaper "Dopahar ka saamana". He was the subject of numerous controversies. Upon his death, he was accorded a state funeral with a large number of mourners present.

Athletes Without Delegates

All athletes competing at WBPF World Championships must be members in good standing of their National Federations. Any athlete who arrives without a Delegate must carry an Official Letter of Authorization of Participation from his/her National Federation, failing which the athletes will not be eligible to participate.

Failure To Honour Final Entry Form Deadline

Deadlines are set to assist the Organizer with arranging accommodations, meals, onsite transportation and other Championships activities. A failure to respect these deadlines is a breach of the WBPF rules. If a National Federation fails to respect the deadline written on the Final Entry Form, each "Official Participant" from that federation will be required to pay all of his or her own expenses, including accommodations, meals, onsite transportation, and access to the Pre-Judging, Finals and Farewell Banquet.

6TH WBPF WORLD BODYBUILDING AND PHYSIQUE SPORTS CHAMPIONSHIPS FOR MEN AND WOMEN & ANNUAL CONGRESS

**5th – 10th December, 2014
Mumbai, India**

Misrepresentation

Misrepresentation is a serious breach of the WBPF Code of Ethics and occurs when an "official" of a National Federation deliberately misrepresents the number of Athletes and Delegates so as to obtain free-of-charge accommodations, meals, onsite transportation, and access to the Prejudging, Finals and Farewell Banquet, and other amenities at the expense of the Organizer. Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called Athlete fail to officially register as a competitor at the Weigh-in or, once having officially

Medical Withdrawal

Once officially registered, no Athlete may withdraw from competition, without the prior approval of the WBPF Judges' Chairman, who has the right to verify the reason for the withdrawal. Any National Federation that fails to seek the prior approval of the WBPF Judges' Chairman before withdrawing an Athlete shall, for that Athlete's non-participation, be fined an amount equal to the Special Package Rate.

Attendance at the WBPF World Congress

All National Federations officially participating in the Championships must attend the Congress meeting, including National Federations with athletes and no delegates. In this case, the athlete must attend and represent his country at the Congress.

Registration Fee

Each official participant (Athletes and Delegates, including delegates without competitors), must pay the Registration Fee of USD 225 per person (in double room with another athlete) to the organizing country. This fee is payable upon arrival to the Organizing Committee before checking into your room.

IMPORTANT NOTICE!

The registration fee is completely separate from the hotel security deposit.
