Subject:- Unanimous resolution passed by the Indian Body Builders Federation in its Special General Body Meeting held on 24th July, 2020 on WebEx Video Conferencing.

Sir,

This is to inform you that the Special General Body Meeting of the Indian Body Builders Federation was called in background of the present CoVid-19 situation on 24th July, 2020 on WebEx Video Conferencing software at 5:00 p.m. Annexed herewith as **Annexure A** is the copy of the Notice dated 14th July, 2020 for both the Executive Committee and Special General Body Meeting sent vide email dated 14th July, 2020.

It was mandatory for the Indian Body Builders Federation to conduct its election for the Executive Committee for the term of four years 2020-2024 in August, 2020. The rules governing the said elections were as per the National Sports Development Code, 2011 and also as per the Constitution of IBBF as under the provisions of Bombay Public Trust Act, 1950 and the Societies Registration Act, 1860. It was unanimously decided after due deliberations by the members of the Indian Body Builders Federation that the entire election process as stipulated hereinabove cannot be conducted smoothly in the present conditions. Furthermore, there is possibility of some affiliated State Units and their members of not being able to participate in the said election process due to separate rules governing their freedom of movement as per the directions of their respective State Governments in near future. In such circumstances we are left with no other possibility other than postponing the decision of the said election process till March 2021 during the 'Mr India' Senior National Body Building and Physique Sports Championship.

It was also unanimously decided that the present Executive Committee to continue to functioning in the interim till the time new Executive Committee is not elected. We request you to kindly consider the said resolution of Indian Body Builders Federation in the ongoing conditions and allow the present Executive Committee to function in the Interim till the time is conducive for conducting the election of the new Executive Committee for the term 2020-2024. The members have also resolved that the same decision is to be conveyed to the Hon'ble Charity Commissioner Office, Mumbai for their records and further directions.
